

REMARKS

Favorable reconsideration of this application, as amended, is respectfully requested.

Applicants acknowledge with appreciation the allowance of Claims 23-28, 30-33, and 33-36.

Applicants also would like to thank the Examiner for the courtesies extended to Applicants' representative during the telephone conference on April 14, 2008. During the conference, the Examiner clarified that Item 7 on page 3 of the outstanding Office Action was inadvertently added to the Office Action, and, as such, Applicants should disregard this item and the associated contents thereof.

By this Amendment, Claim 14 has been amended to more clearly define the subject matter being claimed, as discussed below; and Claims 15-17, 19, 21, 22, 29, 34, and 35 have been amended for consistency. Claims 1-13, 18, and 20 were previously cancelled without prejudice or disclaimer. Accordingly, Claims 14-17, 19, and 21-39 are pending, with Claims 14, 23, 24, 27, and 28 being independent.

In the outstanding Office Action, Claims 14-17, 19, 21, 22, 29, 34, and 35 were rejected under 35 U.S.C. § 101 as allegedly being directed to non-statutory subject matter.

Without acceding to the aforementioned rejection, Claim 14 has been amended to clarify that the subject matter of the method involves a machine and storage devices associated therewith. In particular, Claim 14 now recites a machine-implemented method for internationalizing a markup document, comprising, *inter alia*, detecting at least one dedicated localization tag in the document stored using a first storage device, and replacing said at least one dedicated localization tag in the

document with one of a localized value of a language translation file stored using a second storage device. Accordingly, the rejection under 35 U.S.C. § 101 is believed to be overcome, and Claim 14 and its dependents are therefore allowable.

In view of the foregoing, this application is believed to be in condition for allowance. Accordingly, a prompt Notice of Allowance is respectfully requested.

Should the Examiner believe that any further action is necessary to place this application in better form for allowance, the Examiner is invited to contact Applicants' representative at the telephone number listed below.

The Commissioner is hereby authorized to charge to Deposit Account No. 50-1165 (T2147-907643) any fees under 37 C.F.R. §§ 1.16 and 1.17 that may be required by this paper and to credit any overpayment to that Account. If any extension of time is required in connection with the filing of this paper and has not been separately requested, such extension is hereby requested.

Respectfully submitted,
